All hail to K. C. High.*

We, the students of King City High, wish to dedicate this annual to you, Mr. Joseph LoBue. You have given us great help, not only in our classes, but with outside activities as well. We cannot estimate in words the value of your assistance in all of our school presentations.

We are happy to extend our congratulations on appointment as head of our English department.

# *Our Student Lounge*

A high honor at King City High is the Student Lounge where we enjoy recreation of our choice. Some of the favorite activities such as record auctions, after game dances and student body elections are held here.

# Senior Class History

School didn't really start until the second Friday of school on Initiation Day. When we came to school that day, we looked like we were green and gawky. The girls looked sick without lipstick and the boys looked unusually glamorous with it. All freshmen had to walk before the student body to be judged. Jimmy Akers received first prize dressed as the best-looking girl, Frances Whitsett took second prize as a glamorous cow-girl with one boot and one high heel. This was the year, too, of THE big snow.

During our Sophomore year various honors were given to members of our class. June Douglas was F.F.A. Barn Dance queen. Louise (Duarte) Hudson was Homecoming queen, as chosen by the varsity football players. We had the traditional Sophomore Sock Hop. (Fun?)

Our Junior year started out right by receiving the class rings. On the dramatic side, it was thrilling to give the Junior Play, ONIONS IN THE STEW. We were congratulated on our enthusiasm shown on the large turn-out for working and acting. "Stairways of Memories," the theme of our dreamy prom, featured heart-shaped thrones.

The Senior Class began their year by presenting their play "RAMSHACKLE INN," an action-packed mystery-comedy. Judy Wood and Wendell Thomarson were two of the many that played their roles exceptionally well. The varsity basketball team couldn't get along without our class because we had some of the top-notch players. The all C.C.A.L. boys from our class are Bill Huston and Gilbert Henderson. Highlights of our year are; Ditch Day (long awaited), Senior Bench Trials, and GRADUATION!

# Juniors

Fall Semester Class Officers:  
K. Frudden, D. Johnston, D.  
Trevino.

The "Mighty" juniors, as they are sometimes referred to, started out their year by receiving their class rings.

Our second greatest achievement was winning first place on our Halloween float.

This gave us a good start and made us enthusiastic about future activities. Immediately we chose our prom planning committee and worked hard on selling candy, working on concessions and giving a dinner to raise money so we could fulfill our prom plans.

A Junior is head rally girl and all the rest of the rally girls are Juniors.

Of course the Juniors had disappointments and bad days, but all in all we have had a successful year with the help of Miss Henzler, Mr. Klein and Mr. Etter.

"Our Pride and Joy!"

# *Sophomores*

FALL OFFICERS: David Taylor, Chris Davis,  
Not pictured: Melinda Fisher.

## *Sophomores*

Although the Sophomore Class has some of the mischievous kids in the school, it also has some of the hardest working and intelligent students.

When everyone is in stitches with laughter you can wager it is because of the funny antics of some Sophomores . . . but then, looking again in the library study and another area of concentration and there again . . . SOPHOMORES.

In various activities on campus, hold responsible positions. Business manager of the student council, drum majorette and cheerleader of this class while several officers of school clubs are held by the tenth graders.

One of the most popular dances of the year, the Sox Hop, is sponsored by the Sophomores. Big efforts and concentrated interest went into the Halloween float just as in many other activities.

On the sport field our class has some of the most promising boys . . . Basketball, football, track, in particular.

Thus the class of '62 left its mark toward the Hall of Fame.

# *Freshmen*

FALL OFFICERS: Pres. J. Heasley, V. Pres. Kathy Hayes, Sec. D. Gerch, Sgt. at Arms, D. Banuelos.

## *Freshmen*

With great energy and hopes of the future the Freshman Class entered on the King City campus.

Their first "public appearance" was well-received by the rest of the student body as the frosh appeared at Doggie Day in the Stadium dressed in a wild array of costumes. The outfits varied from a baby boy in diapers to a rootin'-tootin' cow girl before the judges.

In October, the freshman's float proudly rolled down Broadway in the annual Halloween parade, while later in the year on the basketball floor, the freshmen were well-represented on the J. V. team.

At the beginning of the second semester, due to their high standing in scholarship during the first semester, several freshmen were accepted into C.S.F.

Gaily wearing their aprons of red and white to classes, the girls carried out their initiation of FFA. On the other hand, so to speak, the boys lived thru their days of wearing one green glove continuously as their initiation to FFA.

And so the youngest group has made their mark . . . just watch them continue!!!!

Making six touchdowns but failing to gain any conversion points the Mustangs opened their CCAL-B league season with a one win, no loss status.

## Mustangs To Meet PG Breakers

On the gridiron on Friday, Oct. 16, Pacific Grove will line up against the KCHS Mustangs.

KC lineup will be Paul Dickie, center; Don Norwood, guard; Don Schmidt, guard; Jim Ross, tackle; Jerry Armer, tackle; Gilbert Hen-

derson, blocking back; Randy Litzenberg, wing back; Jimmy Seaton, running back; and Winky Thommarson, spinner. In the backfield will be Ray Gillett, Ernie Pimentel, Bill Huston, and Jim Mankins.

## Padres Ride Mustangs 33-0

The King City Mustangs tried in vain to stop the onward surge of the Carmel Padres when the Padres rolled the Mustangs 33-0.

Headed by Captain Randy Litzenberg the Mustangs remained on the defensive after the first quarter.

During the first quarter King City seemed to be pushing Carmel steadily back until at the second period the Padres gained a second wind and went on a 33 point romp.

With a league record of one win, one loss, the KCHS Mustangs will meet the Pacific Grove Breakers at the KCHS stadium. This will be the third of a series of four home games.

## *Boys*

The selection of the "All CCAL Basketball Team" is made by the coaches of the league. In a meeting held in Monterey the coaches were requested to turn in an all-opponent team, rating the first boy ten points, second nine, etc. By use of the all-opponent team a coach would not be able to

vote for his own boy. By this process Jim Giacomazzi was the sixth one and Jim Seaton the seventh, placing them on the second team of the All CCAL. Gilbert Henderson and Bill Huston pictured here were selected for All CCAL Football earlier in the year.
